

Greetings, Agent!
I am Unit 4467, also
known as ST3M-Bot!
I may be a robot,
but I still like playing sports!
Unfortunately, I don't have a ball
and I can't play!
Can you help?

MISSION 001:

**Build a ball for ST3M-Bot that
can be used for a sport
out of your LEGO parts!**

**Share it on Instagram and tag us
at titanium_titans4467 for a
chance to have your creation
featured on our Instagram!**
